

Bloody Mary's

Mix all ingredients together in a large pitcher to make the bloody mary.

1 ½ oz Vodka

4oz Tomato juice

1tsp. of celery salt

1tsp. of black pepper

½ tbsp. Worcestershire sauce

1/8 tsp. horseradish

2tsp. [Rustlin Robs Cayenne](#) hot sauce

To make the tall skewer we used a few of our Rustlin Robs products.

First you'll need long a bamboo skewer, then here are a few of the items we used: pickled asparagus, Brussel sprouts, okra, pickled jalapenos, garlic stuffed olives.

Take a lime wedge and run it around the top of the glass then dip the top of the glass in some coarse salt.

Fill your glass with ice and enjoy!
